# DBM INDIA EXPRESS

January 2025

The new year started with a bang for us at DBM. January brought good news not only for us but for our students across all courses.

Our students once again did us proud. All GDA students performed well at their internships and final assessment and got great job offers from Nanavati Hospital, Lilavati Hospital, HomeCare, Care24, etc.

**Shrushti Kuley**

The ECCED students too, not to be left behind, broke new barriers and were picked up by reputed and even international schools!

But the icing on the cake was Shrushti Kuley, this young girl, a student at our M power Library and Study centre, prepared for Civil Services Exam (popularly called IAS exam) by studying almost 8-10 hours every day.

She has cleared her Prelims and Mains and will now appear for her interview ! Regardless of her final result, her performance so far is mind boggling, considering the kind of family background that she comes from. Also her result has hugely motivated and inspired our other students and they can also now dream of following her footsteps.

Congratulations to all our team members who have guided and mentored these students. And a big thanks to our supporters for making this possible. We will continue on this path of excellence and impact.

## Early Childhood care and Education Certificate Distribution

Our ECCE students successfully completed their course with flying colors, marking a significant milestone in their journey.

The **Certificate Distribution Ceremony** was graced by our esteemed Chief Guests, Mr. Mohd Sharik Malik and Mr. Alok Gupta, CFO of ACRE. They inspired the students with their words of encouragement and shared valuable insights to help them navigate the corporate world.

The Early Childhood Care and Education (ECCE) course included four months of training and On-Job Training (OJT). Many of them have already secured placements and are now contributing to their families financially.

We are proud to see that our students this year have even been selected by international schools like EuroKids, Podar International School, Blossom School, Rose School, and other reputed institutions.

# GDA Certificate Distribution

Along with the ECCE Certificate Distribution, we also hosted a send-off ceremony and Certificate Distribution for the GDA batch, celebrating their hard work and achievements as they embark on their professional journeys.

The certificate distribution event for our GDA Students was a resounding success, with all students proudly receiving their certificates. We were honored to have Mr. Devendra Singh as our chief guest.

## INSPIRING SUCCESS STORIES

The event was made even more special by our students, who shared their heartwarming experiences of transformation after securing employment.

- **Preeti**, who once lived in a rental home, is now financially independent and has helped her parents make a down payment on their own home.
- **Dhanashri Dhenge** has started a Systematic Investment Plan (SIP) to secure her children's future.

These inspiring stories truly reflect the transformative impact of our GDA program on the lives of our students. We couldn't be prouder of their dedication, growth, and achievements!

# Udaan Scholars

DBM India's Udaan Centres were abuzz with a mix of educational, skill-building, and fun activities last month. Students participated in Life Skills Sessions, peer-led discussions, and board exam preparation sessions conducted by senior students. To encourage creativity and teamwork, we also organized engaging activities like "Cooking Without Fire," adding a fun element to the learning experience.

On the eve of Parakram Diwas, the Deonar Centre commemorated Netaji Subhash Chandra Bose by screening a short film on the struggles of freedom fighters. Students then took part in a report writing workshop led by our teacher, enhancing both their historical awareness and writing skills. It was a month of growth, learning, and inspiration, and we look forward to many more enriching experiences ahead!

"The secret of success in life is for a man to be ready for his opportunity when it comes."

# Volunteer Certificate Distribution

DBM India organized a certificate distribution program for volunteers from GNVS College in the presence of Ms. Farheen Peshimam. The event served as a platform for the volunteers to share their enriching experiences in fundraising within communities, highlighting the challenges they faced and the impact of their efforts on society.

They spoke about how the initiative not only helped those in need but also enhanced their own understanding of social responsibility. Ms. Farheen Peshimam appreciated their hard work, encouraged them to continue their endeavors, and motivated them to strive for a bright and impactful future.

# Volunteers Distributed Notebook

Volunteers from Somaiya College generously distributed notebooks and pencils to students, ensuring they had the necessary learning materials to support their education. Each student received two notebooks, along with a pencil, helping them continue their studies with ease. Through their efforts, the volunteers not only contributed to the students' academic growth but also reinforced the spirit of community service and compassion.

# Volunteer Speak

**Abhishek Devji** from GNVS College shares his thoughts:

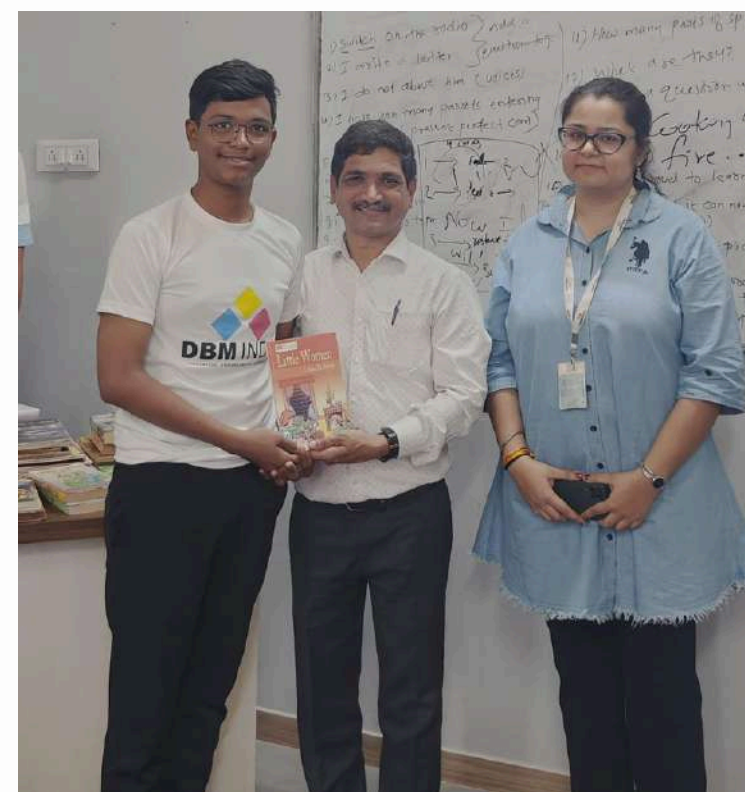

"We should truly value what we have. The DBM India team works tirelessly to create a better community, actively engaging in education, vocational training, and empowerment by directly connecting with people on the ground. Seeing the dedication and interacting with the students of DBM India made me incredibly proud to be part of an organization that is making a real difference in communities."

# A Gift of Stories for our Udaan Scholars

Dr. Satish Kolte, along with his team of NSS students from K.C. College, paid a heartwarming visit to the Udaan Centre, bringing with them a wonderful gift—a collection of storybooks for the children.

During the visit, Dr. Kolte spoke about the transformative power of reading, inspiring students to immerse themselves in the world of stories. He beautifully explained how books serve as gateways to new ideas, cultures, and perspectives, expanding young minds and fostering curiosity.

## Republic Day Celebrations

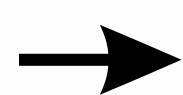

DBM India Centres celebrated Republic Day with great enthusiasm, honoring the spirit of unity, patriotism, and democratic values. The event instilled a deep sense of pride and responsibility, inspiring young minds to actively contribute to the nation's progress.
